Real Tour Vision™ Announces New Full Service Provider in Middle Tennessee

Loretto, TN July 25, 2008– SpotLight Virtual Tours has recently partnered with Real Tour Vision™ (RTV), the world's largest and fastest growing virtual tour software provider. As a Real Tour Vision full service provider SpotLight Virtual Tours will be able to offer state-of-the-art [virtual tours](#) and innovative online marketing solutions to local real estate agents and businesses. SpotLight Virtual Tours has completed proprietary training as a certified RTV full service dealer and will also be offering their clients and customers expert advice on internet marketing.

“RTV is known for having full service coverage across the country in places other virtual tour companies do not. This is why our brand is chosen over many of the others when a national virtual tour service is required. We love adding new providers to our family like Brett Weaver who are able to fill in those gaps and service multiple large cities at once.” Stated Jason LaVanture, Vice President of RTV.

Brett Weaver, Real Tour Vision Provider and owner of SpotLight Virtual Tours stated, “My goal is simple. To help my Realtor clients sell more homes and sell them faster. In today's market, my clients are looking for creative, cost-effective ways to differentiate themselves and their [property marketing](#) to their clients. I'm excited to offer full service virtual tours and professional photography using RTV technology solutions to Middle Tennessee and Northern Alabama Realtors and businesses.”
