

FOR IMMEDIATE RELEASE

RTV™ Announces New Full Service Providers in Athens, Georgia and Southern Maryland areas.

Athens, Georgia - July 17, 2008— Blue Sky Virtual Tours has recently partnered with RTV™, the world's largest and fastest growing virtual tour software provider. As a Real Tour Vision full service provider Blue Sky Virtual Tours will be able to offer state-of-the-art [virtual tours](#) and innovative online marketing solutions to local real estate agents and businesses. Blue Sky Virtual Tours has completed proprietary training as a certified RTV full service dealer and will also be offering their clients and customers expert advice on internet marketing.

Jason LaVanture, Vice President of RTV said: 'The RTV business model certainly sparks the entrepreneurial spirit. Most people who choose to use our virtual tour software and property marketing system do so because they are the kind of people that wake up every day and love the fact that they are in business for themselves but not by themselves. Blue Sky Virtual Tours is just such an operation and now with three locations in the US they are gearing up to be one of our larger virtual tour providers in the country.'

Steve Bartlett Jr., RTV Provider and Vice President of Blue Sky Virtual Tours stated, 'We are very excited to start our marketing business that will focus on meeting and exceeding clients' needs in the evolving business world.'

Since 1999, RTV has continually led the way in the virtual tour industry with marketing implementations such as their proprietary interactive software, RTV™ PanoRider™, single property websites, on-demand Virtual Tour Traffic Reporting 2.0, 2D/3D interactive floor plans, animated walk-throughs, custom websites, proprietary order-dispatch system, tour audio solutions, tour discs and sketch-and-fax services.
